SPRING OCI INFO

Bidding for the spring on-campus interview program (OCI) will be open on January 3, 2012. Be sure to review postings in Symplicity—employers are primarily seeking 1L applicants, but there may be some 2L and 3L positions.

Over winter break, make sure you have uploaded your most up-to-date (and error-free!) resume into Symplicity. Double check your listed graduation date so that you can be sure you are able to see all postings for your class!
Ethics Fellowship

Application Deadline is January 6

Fellowships at Auschwitz for the Study of Professional Ethics (FASPE), in collaboration with The Museum of Jewish Heritage—A Living Memorial to the Holocaust, is now accepting applications for a fellowship designed to challenge law students to consider contemporary ethical issues using the conduct of their historical peers in Nazi Germany as a framework.

Fellowships include an all-expense paid trip from New York to Berlin, Krakow, and Oświęcim (Auschwitz) where students will work with leading faculty to explore both history and the ethical issues facing their profession today. All program costs, including international and European travel, lodging, and food, are covered.

The program dates for FASPE Law are May 20 – May 31, 2012.

Completed applications must be received by January 6, 2012. Candidates of all religious, ethnic, and cultural backgrounds are encouraged to apply. All students who are enrolled in law programs at the time of their application are eligible to apply.

To apply or to learn more about FASPE, please visit: http://www.mjhnyc.org/FASPE/. If you have any questions, please contact Thorin R. Titter, Managing Director of FASPE, at FASPE@mjhnyc.org or 646-437-4307.

Summer Clerkship

Application Deadline is January 5

Founded in 1991, the Institute for Justice engages in cutting-edge litigation and advocacy both in the court of law and in the court of public opinion on behalf of individuals whose most basic rights are denied by the government—like the right to earn and honest living, private property rights, the right to free speech and educational choice.

The Institute for Justice is now accepting applications for 2012 Summer Clerkships. Summer clerkships are open to first and second year law students and are available at the Institute for Justice’s headquarters in the DC metro area and at our chapter offices in Austin, TX; Miami, FL; Minneapolis, MN; Seattle, WA; and Tempe, AZ. Students interested in applying for summer clerkships can apply at www.ij.org/internships. Summer clerkships are offered on a rolling basis and students are strongly advised apply by January 5, 2012.
