"[This summer I brought on] my third Wake Forest Law student. I continue to be impressed with the skills and knowledge I have seen. My intern was always pleasant and cheerful, and seemed to thrive on challenging tasks. If I had to say one thing alone that I have learned, it is to set the bar high, as intimidation does not seem to be in her vocabulary." - **Managing partner of business litigation firm, Charleston, SC**

"[Our 1L summer intern] produced a thorough, succinct analysis of a nuanced fiduciary duty question. Her memo was extraordinarily good—particularly when considering that she had not yet taken corporations. The memo would have been well done by a junior associate at a large law firm. Very well done!"

- **General counsel of technology company, Raleigh, NC**
